Managing Director's Message to the Shareholders

Mr. Bipin N. Shah

Managing Director

Dear Shareholders,

It gives me great pleasure to present our Company's 59th Annual Report. In a nutshell.

Our Operational Revenue for the financial year 2018-19 amounted to ₹ 32,066 lakhs as against ₹ 24,125 lakhs for the previous year, "an increase of 32.92 %".

Our PBT has gone from ₹ 2,342 lakhs to ₹ 3,240 lakhs, "increase of 38.34 %" on year on year basis.

One of the great privileges of working in pharmaceutical industry is the opportunity to directly contribute towards the advancement of human quality of life.

This has always been our greatest source of purpose in propelling Anuh Pharma forward.

ENHANCING PRESENCE IN BULK DRUG SEGMENT:

We continue to allocate total resources towards building the API & Bulk Drug Segment. We have a state of the art R & D facility in Navi Mumbai which works day & night on the development of newer & better pharmaceutical raw material.

An advance stage works is going on for the following products:

- 1) Aripiprazole
- 2) Olanzapine
- 3) Fexofenadine
- 4) Sitagliptin
- 5) Gliclazide
- 6) Celecoxib

GLOBAL cGMP COMPLIANCE:

Adherence to the stringent cGMP requirements of global regulators is a non-compromising objective for us. Compliance to this standards has become a key determinantal of future success for the API industry. We continue to invest significant time & resource in ensuring that we remain committed to 24/7 cGMP compliance over the past years our cGMP capabilities have been increased significantly. Talent with long standing global exercise has enhanced one abilities in this pertinent area. There are also targeting appropriate technology based solutions to facilitate cGMP compliance with an increased focus on requisite manpower training.

TRANSFORMATION:

It is obvious to generate long term sustainable value for Shareholders, business need to continuously involve & transform themselves to build a strong foundation for future growth.

At Anuh Pharma we have decided on a transformational journey to make Anuh Pharma a Company that is in tune with the times.

EXPANSION PROJECT:

Our futuristic & world class expansion project is nearing its completion, we propose to commission the plant by September 2019.

We will be increasing on installed capacity from 900 metric from to 1500 metric tons in the first phase & we will be adding 4 products in the current financial year.

With Warm Regards,

DILIP GIRDHARLAL SHAH (1941 - 2019)

Anuh Pharma has been fortunate to have the blessings and guidance of several proficient people. Amongst them, we wish to remember **Shri. Dilip G. Shah** who passed away on 22nd February, 2019. This unfortunate event came as a shock to everyone. He had been a long-standing Member of Anuh Pharma Ltd.'s Board and steered the Company through great transitions.

Shri. Dilip G. Shah had 52 years of varied experience in the pharmaceutical industry. He was the Secretary-General of the Indian Pharmaceutical Alliance, Member of the Expert Review Committee of Access to Medicine (ATM) Index; Member of the CPHI International Advisory Board; and Member of the Board of Advisors of Pharmabiz.com. He was on the board of prestigious companies, and also the CEO of Vision Consulting Group, a firm specialized in strategic planning.

While this is indeed a personal loss to the Company, it would be very apt to say that we lost a legend of the Indian pharmaceutical industry.

On behalf of all the Employees, Management, Board Members and Shareholders, we pray that his soul rests in peace.

- 16. Regulations as per Foreign Trade Policy
- 17. The Income Tax Act, 1961
- 18. Profession Tax Act, 1975
- 19. GST Act, 2017

We have also examined compliance with applicable clauses of the following:

- a) Secretarial Standards issued by The Institute of Company Secretaries of India.
- b) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereof.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors at the end of financial year. However, as there was lapse in the appointment of Woman Director, after the resignation of the then existing Woman Director in July, 2018, and non-appointment of replacement of a new Independent woman Director until 8th February, 2019, the Company thereby had a non-compliance in Regulation 17(1)(a) of SEBI (LODR) Regulations, 2015.

Management's Reply:

The Company was continuously in the process of searching Woman Director, who shall contribute towards the growth of the Company. The Company had a tough time in searching new Independent Woman Director as it was difficult to get an Independent Director for our company, based on her knowledge in the respective field.

The then existing Woman Director Ms. Rajeshree Gor resigned due to pre-occupation, thereafter we interviewed a few candidates but, we couldn't find suitable candidate for the post Woman Independent Director for our company within the prescribed time, who would fit into the criteria of Independent Director as per SEBI (LODR) Regulations, 2015 and hence delay was caused.

However, the Board on 8th February, 2019 has appointed suitable candidate viz. Dr. Mita Dixit, who is a Chemical Engineer by qualification, has Masters Degree in Marketing Management and PhD from BITS Pilani University. She is the first Indian to do a doctoral research in 'Conflict and Splits in Indian Family Businesses. She is a Certified Management Consultant and a Corporate Director. She is a member of the Family Enterprise Research Consortium (USA).

Please also note that the Company has been complying with all the rules and regulations of SEBI as and when it gets notified. This is the first non-compliance which has happened, ever since new SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 have been introduced.

We further report that adequate notice was given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the Meeting and for meaningful participation at the meeting.

Majority decision was carried through while the dissenting members' views were captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurating with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, guidelines, standards etc. mentioned above.

We further report that during the audit period there were no instances of:

- (i) Public/Right/Preferential issue of shares/debentures/sweat equity, etc.
- (ii) Redemption/buy-back of securities
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013
- (iv) Merger/amalgamation/reconstruction, etc.
- (v) Foreign technical collaborations

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE & DEVELOPMENTS

Global Pharmaceutical Market

The global pharmaceutical market is now estimated to be over USD 1.2 trillion and expected to grow at CAGR of about 4% to 5%.

Though the pharmaceutical industry is developing at rapid pace, the pharmaceutical manufacturing companies are confronted with enormous challenges such as:

Cost & Pricing, New Medicines & Therapy dosages, changing regulatory landscape & growing digitization.

Indian pharma market is expected to grow to USD 55 Billion by 2020 thereby emerging as the 6th largest pharmaceutical market globally by absolute size.

Global Bulk Drugs Market

Three segments - Branded Prescription drugs, Over-the-Counter (OTC) drugs and Generic Prescription drugs account for a majority of global bulk drug consumption.

The total global bulk drug consumption is expected to reach USD 206 billion by 2020 at a CAGR 6.5% during the forecast period out of which 80% is used for Branded Prescription drugs, 10% for OTC drugs and 10% for Generic Prescription drugs.

Indian Bulk Drug Market

India is expected to be the 3rd largest global markets for Bulk Drugs with a 7.5% increase in market share. There are 1150 bulk drug units producing about 350 important Bulk Drugs. The market analyst forecast the API markets in India to grow at a CAGR of 11% over the period of 2016-2021.

OPPORTUNITIES, THREATS AND OUTLOOK

Anuh Pharma Ltd. will be able to place itself in a strong position by expanding strategically, increasing its manufacturing capacities and enhancing capacities across the organization. The Company is looking at different opportunities in untapped markets and also across a value chain. It plans for alliances with business associates in the global market, giving a huge boost to the selective products that it already deals in.

We are fully conscious of our responsibility toward our customers. Our efforts are directed toward the fulfillment of customer satisfaction through the quality of products. As the consolidation of this industry gains momentum, the need to develop a dedicated team of skilled manpower assumes urgency and importance.

We will continue to focus on training and motivation of manpower so as to develop teams of qualified and skilled personnel to effectively discharge their responsibilities in a number of projects and activities. It is, in this context, which we have been working towards promoting the skills and professionalism of our employees to cope with and focus on the challenges of change and growth.

Manufacturing

Anuh Pharma Ltd is well positioned to service its existing and potential markets through its manufacturing operations at Tarapur in Maharashtra.

The Company enjoys cGMP approvals and all the facilities are built and operated according to cGMP (current Good Manufacturing Practices).

The Company is approved by EDQM for the products Erythromycin Base, Erythromycin Ethyl Succinate, & Pyrazinamide. The Company has also got approval from WHO PQ Geneva authorities for Pyrazinamide and Sulfadoxine. The Company is also approved by COFEPRIS, Mexico for Erythromycin Stearate, Erythromycin Estolate, Erythromycin Ethyl Succinate.

The Company has also received plant approvals from several MNCs.

Expansion

After acquiring Plot No. E-18 in the Tarapur Industrial Area of MIDC, we have already received Environmental Clearance from Government of Maharashtra and consent to establish from Maharashtra Pollution Control Board and approval of building plans from MIDC authorities.

We hope to commission the new project by September 2019.

Quality

Quality is the key factor for any API business and Anuh Pharma Ltd. enjoys a high reputation for quality. An independent Quality Assurance team headed by Doctorate and Senior Chemists ensures this function. A number of sophisticated instruments like HPLC, GC, IR Spectrophotometer, etc., are installed in QC department.

MEDIUM TERM STRATEGY & LONG TERM STRATEGY

Medium Term Strategy:

Our Company has completed 30 years of start up of production.

All the manufacturing departments, marketing departments etc. are sufficiently matured to take up new challenges in the medium term.

We propose to start 4 (Four) new products in the medium term and apply for regulatory approvals like EDQM, USFDA etc.

For this purpose our R & D department is absolutely ready and they already have a few products queued up to take up for validation batches and commercial batches after commissioning of the new plant in September 2019.

Long Term Strategy:

India is poised to become the 2nd largest producers of API in the world.

Our Company is still dependent on Intermediates mainly from China and other countries we will definitely look forward for backward integration in long term.

We also need to improve the manufacturing processes to reduce the solvent load and formation of other by-products.

This will also help us in reducing the pollution load and ultimately reducing the final product cost.

RISKS AND CONCERNS

India imports huge quantity of crude oil and variation in crude oil prices would always be an area of concern. The Company is planning to install greener technologies like briquette fired boilers, economizers etc. to save power and fuel costs.

The volatility of exchange rate of rupee against US dollar can have significant impact on the Company's profitability because approx. 40% of its sales consist of exports. However natural hedge mitigates the risk to large extent due to imports.

Macro economic conditions like currency variations, rise in crude prices and US dollar remittance issues in Africa do affect the export of our country. However, our presence in domestic sector such risks are mitigated to some extent.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY

The Company has strong and adequate internal control system suitable to its size and nature of business. We constantly upgrade our systems for incremental improvements.

The Audit Committee of the Board regularly reviews our system. The systems ensure protection of assets and proper recording of transactions. Internal audit is carried out by an independent chartered accountants' firm on quarterly basis.

The internal auditors' reports are regularly received by the Audit Committee. It is a regular practice to review the issues raised by Internal Auditors and statutory auditors by the Audit Committee.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

In the bygone fiscal, the Revenue from operation of Anuh Pharma Ltd. increased by 32.92 % to ₹ 32,066 lakhs from ₹ 24,123 lakhs.

The Company generated surplus funds of ₹ 3,240 lakhs in PBT as compared to ₹ 2,342 lakhs in the previous year.

RESEARCH & DEVELOPMENT

During the month of April 2012 the Company had acquired an existing Research & Development Laboratory in Mahape, Navi Mumbai from a Spanish Company. This Research & Development Laboratory has three sections, i.e. Analytical Development Lab, Chemical Synthesis Lab and a Pilot Plant. Each section is equipped with latest and sophisticated equipments and machineries.

This will help us in intensifying our Research & Development activity with a view to enlarge our bulk drugs portfolio.

Mrs. Aditi Sanjit Bagul, Partner of Ragini Chokshi & Co. Practicing Company Secretary, was appointed as the scrutinizer for carrying out the postal ballot process in a fair and transparent manner.

Procedure for Postal Ballot:

In compliance with Sections 108, 110 and other applicable provisions of the Companies Act, 2013 read with the Rules issued thereunder, the Company provided electronic voting (e-voting) facility to all its members. The Company engaged the services of Central Depository Services (India) Limited (CDSL) to provide the e-voting facility. The members had an option to vote either by postal ballot or through e-voting.

The Company dispatched the postal ballot notices and forms along with postage prepaid business reply envelopes to its members whose names appear on the Register of Members/ list of beneficiaries as on cut – off date. The postal ballot notice was sent to members in electronic form to the email addresses registered with the depository participants/ Company's Registrar & Share Transfer Agents. The Company also published a notice in the newspapers declaring the details of completion of dispatch and other requirements under the Secretarial Standards issued by Institute of Company Secretaries of India, Companies Act, 2013 and the Rules issued thereunder.

Voting rights were reckoned on the paid up value of shares of the Company registered in the names of the shareholders as on the cut-off date. Members desiring to vote through postal ballot were requested to return the forms, duly completed and signed so as to reach the Scrutinizer before the close of the voting period.

Members desiring to exercise their votes by electronic mode were requested to vote before the close of business hours on the last date of e-voting. The Scrutinizer submitted his report to the Managing Director, after the completion of scrutiny and the consolidated results of the voting by postal ballot were then announced by the Managing Director of the Company. The results were displayed on the website of the Company (www.anuhpharma.com), besides being communicated to the Stock Exchanges and e-voting website of CDSL.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
ANUH PHARMA LIMITED

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Anuh Pharma Limited ('the Company')**, which comprise the balance sheet as at 31st March 2019, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2019. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition (refer Note No.1(B)(c))

The Company's performance is dependent on proper accounting of Revenue and is therefore susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.

Auditor's response

Our audit procedures with regard to revenue recognition included testing controls, automated and manual, dispatches/deliveries, inventory reconciliations and assessing the recoverability of trade receivable balances, substantive testing for cut-offs and analytical review procedures.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in

the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(B) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended :

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

(C) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at 31st March, 2019 on its financial position in its financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2019, we report that

- i. a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b. As explained to us, physical verification of the fixed assets was conducted by the management during the year. In our opinion, the frequency of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such physical verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. According to the information and explanations given to us, the physical verification of inventory has been conducted at reasonable intervals by the management. In our opinion, the discrepancies noticed on verification between the physical stocks and the book records were not material.
- iii. In our opinion and according to information and explanations given to us the Company has not granted any loans, secured or unsecured, to any companies, firms, Limited Liability Partnerships or other parties as covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments, guarantees and security made.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit within the meaning of Section 73 to 76 of the Act, and the rules framed thereunder.
- vi. We have broadly reviewed the books of accounts maintained by the Company in respect of products where, pursuant to the Rules made by the Central Government, the maintenance of cost records has been prescribed under sub-section (1) of section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. a. According to the records of the company and the information and explanations given to us, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income tax, Sales tax, Service tax, Custom Duty, Excise Duty, Value added tax, Goods and Services Tax, Cess and other statutory dues applicable to it. There are no undisputed statutory dues as referred to above as at 31st March, 2019 outstanding for a period of more than six months from the date on which they became payable.
- b. According to the information and explanations given to us, the dues as on March 31, 2019 in respect of Sales tax and Employees' State Insurance that have not been deposited with the appropriate authorities on account of dispute and the forum where the disputes are pending are given below:

Name of Statute	Nature of Dues	Amount (Rs.in lakhs)	Period to which the Amount Relates	Forum where dispute is pending
Bombay Sales Tax Act, 1959	Sales Tax (Including Interest and Penalty)	12.66	1991-1992	Bombay high court
		3.97	1992-1993	Bombay high court
Central Sales Tax Act, 1956	Sales Tax (Including Interest and Penalty)	6.48	1991-1992	Bombay high court
		3.92	1992-1993	Bombay high court
	Total	27.03		

- viii. Based on our audit procedures and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans from bank. Further as per the records of the Company, during the year there were no loans or borrowings from any financial institution, government or debenture holders.
- ix. According to the information and explanation given to us and based on our examination of the records of the Company, the Company did not raise any money by way of initial public offer or further public offer (including debt instrument) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable.
- x. Based upon the audit procedures performed and to the best of our knowledge and belief and according to the information and explanations given to us no fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanation given to us and based on our examination of the records of the Company, the company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanation given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him/her. Accordingly, paragraph 3(xv) of the Order is not applicable.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Anuh Pharma Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk

that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Financial Statements for the Financial year ended on March 31, 2019

1(A) General information

Anuh Pharma Limited ('the Company') is engaged in the business of manufacturing and selling of "Bulk drugs and chemicals".

The company is a public limited company incorporated and domiciled in India and has its registered office at 3-A, Shivsagar Estate, North Wing, Dr. Annie Besant Road, Worli, Mumbai- 400018, Maharashtra, India.

1(B) Significant Accounting policies

(a) Basis of preparation

- (i) The financial statements have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.
- (ii) The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:
 - 1. Financial instruments measured at fair value through profit and loss
 - 2. Defined benefit plans – plan assets measured at fair value

(b) Foreign currency translation

- (i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (₹), which is the company's functional and presentation currency.

- (ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates.

(c) Revenue recognition

The Company has adopted Ind AS 115, Revenue from Contract with Customers with effect from 1st April 2018.

Revenue is measured at the fair value of the consideration received or receivable. Revenue from sale of goods is recognised; when the significant risks and rewards in respect of ownership of products are transferred by the Company, the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and no significant uncertainty exist regarding the amount of consideration that will be derived from the sale of goods as well as regarding its ultimate collection. Amounts disclosed as revenue are net of variable consideration on account of various Discounts, Rebates, incentives offered by the Company as a part of the contract.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Sale of goods

Revenue is measured at the fair value of the consideration received or receivable. Revenue from sale of goods is recognised when the significant risks and rewards in respect of ownership of products are transferred by the Company.

Notes on Financial Statements for the Financial year ended on March 31, 2019 (Contd..)

The entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and no significant uncertainty exist regarding the amount of consideration that will be derived from the sale of goods as well as regarding its ultimate collection. Amounts disclosed as revenue are inclusive of excise duty and net of returns.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Dividend income

Dividend is recognized as revenue when the right to receive payment has been established.

Interest income

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

(d) Property, Plant and Equipment (PPE)

i. Recognition and measurement

All items of PPE are measured at cost less accumulated depreciation and any accumulated impairment losses, if any.

The cost of an item of PPE comprises:

- a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognised in profit or loss.

The Company has elected to continue with the carrying value of all its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101.

Any gain or loss on disposal of an item of PPE is recognised in profit and loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on PPE (other than leasehold land) has been provided based on useful life of the assets in accordance with Schedule II to the Companies Act, 2013, on written down value method except, useful lives and residual value for the following assets, based on independent technical evaluation, which is different from the useful lives and residual values as per Schedule II of the Companies Act, 2013, as under:

Notes on Financial Statements for the Financial year ended on March 31, 2019 (Contd..)

Category	Useful Life	Residual Value
Motor Car	5 years	25% of Cost

Leasehold land (other than perpetual leasehold land) are amortised over the lease period.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Profit and loss on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

(e) Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalised.

The Company has elected to continue with the carrying value of all its intangible assets as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific to which it relates.

(f) Impairment of non-financial assets

Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(g) Borrowing cost

Borrowing costs attributable to the acquisition/construction of qualifying assets are capitalized and form part of the cost of the qualifying assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue as an expense.

(h) Operating lease

Lease payments for assets taken on operating lease are recognised in the Statement of Profit and Loss over the lease term.

(i) Income Tax

Provision for income tax is made for both current and deferred taxes. Provision for current income tax is made on the current tax rates based on the assessable income. The Company provides for deferred tax based on

Notes on Financial Statements for the Financial year ended on March 31, 2019 (Contd..)

the tax effect of timing differences resulting from the recognition of items in the financial statements and in estimating its current tax provision. Deferred tax assets are recognized where there is certainty that there will be sufficient future taxable income available against which such deferred tax assets can be realized.

(j) Inventories

Inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other cost including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, work-in-progress, packing materials, trading and other products are determined on first-in-first-out basis.

(k) Research and development

Revenue expenditure on Research and Development is charged to Profit and Loss Account as incurred. Capital expenditure on assets acquired for Research and Development is added to PPE.

(l) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Classification

The Company shall classify financial assets as subsequently measured at amortised cost and fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Notes on Financial Statements for the Financial year ended on March 31, 2019 (Contd..)

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g. Bonds, securities and deposits.
- b) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss.

The Company's financial liabilities include trade and other payables, loans and borrowings.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Derivative financial instruments

The Company uses derivative financial instruments, such as foreign exchange forward contracts to manage its exposure to foreign exchange risks. For contracts where hedge accounting is not followed, such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit and loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

(m) Employee benefits

i. Short term employee benefits

Short term employee benefits consisting of wages, salaries, social security contributions, ex-gratia and accrued leave, are benefits payable and recognised in 12 months. Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the year as the related service are rendered by the employee.

ii. Defined contribution plans

Company's contribution for the year paid/payable to defined contribution retirement benefit schemes are charged to Statement of Profit and Loss

The Company's contribution towards provident fund and employee state insurance scheme for certain eligible employees are considered to be defined contribution plan for which the Company made contribution on monthly basis.

Notes on Financial Statements for the Financial year ended on March 31, 2019 (Contd..)

iii. Defined benefit plans

Company's liabilities towards defined benefit plans and other long term benefits viz. gratuity and compensated absences expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the balance sheet date. Actuarial gains and losses are recognised in the Statement of other comprehensive income in the period of occurrence of such gains and losses. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets, if any.

(n) Provisions , Contingent Liabilities and Contingent Assets

A provision is recognised if as a result of a past event, the Company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

(o) Earnings per share (EPS)

Basic EPS is computed using the weighted average number of equity shares outstanding during the period. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the results would be anti-dilutive.

(p) Key estimates and assumptions

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differ from these estimates.

Estimates and assumptions are required in particular for:

- Determination of the estimated useful lives of tangible assets and intangible assets and the assessment as to which components of the cost may be capitalized.

Useful lives of tangible assets and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on management estimate, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalized and which components of the cost of the asset may be capitalised.

- Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting

Notes on Financial Statements for the Financial year ended on March 31, 2019 (Contd..)

period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

- Provisions and contingent liabilities

The Company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.

(q) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs(upto 2 decimal) as per the requirement of Schedule III, unless otherwise stated.

(r) Standards issued or modified but not yet effective up to the date of issuance of the company's financial statements:

Ind AS 116, Leases :

On 30th March 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases, under Companies (Indian Accounting Standards) Amendment Rules,2019 which is applicable with effect from 1st April,2019.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lease accounting model for lessee and requires the lessee to recognize right of use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is low value in nature. Currently, operating lease expenses are charged to the statement of profit and loss. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

As per Ind AS 116, the lessee needs to recognize depreciation on rights of use assets and finance costs on lease liabilities in the statement of profit and loss. The lease payments made by the lessee under the lease arrangement will be adjusted against the lease liabilities.

The company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

Fair values for financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity securities.

Transfers between Levels

There have been no transfers between Levels during the reporting periods

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique	"Significant unobservable inputs"	"Inter-relationship between significant unobservable inputs and fair value measurement"
Level 2:			
Mutual Fund	Net Asset Value	Not applicable	Not applicable
Forward Contracts	"Market valuation techniques The Company has used discounted mark to market of forward contracts using current forward rates for remaining tenure of the forward contract as provided by respective banks"	Not applicable	Not applicable

There are no transfers between the levels.

C. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables

Around 49% of the sales are export sales. For major part of the sales, customer credit risk is managed by requiring domestic and export customers to pay advances before transfer of ownership, therefore substantially eliminating the Company's credit risk in this respect.

Based on prior experience and an assessment of the current economic environment, management believes that no provision is required for credit risk wherever credit is extended to customers.

Management believes that the unimpaired amounts that are past due by more than 6 months are still collectible in full, based on historical payment behaviour.

Concentration of credit risk

At 31st March 2019, the carrying amount of the Company's most significant customer is ₹ 1,542 lakhs (31st March, 2018 : ₹ 661 lakhs)

Loan to others

The credit worthiness of the counter party is evaluated by the management on an ongoing basis and is considered to be good. The Company did not have any amounts that were past due but not impaired. The Company has no collateral in respect of these loans.

Investment in mutual funds and bonds

The investment in mutual funds, Government bonds are entered into with credit worthy fund houses, Government of India and financial institution respectively. The credit worthiness of these counter parties are evaluated by the management on an ongoing basis and is considered to be good. The Company does not expect any losses from non-performance by these counter-parties.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and within approved credit ratings.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

iii. Liquidity risk

"Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has obtained fund and non-fund based working capital lines from two banks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility."

"As at 31st March, 2019, the Company had working capital of ₹ 7737.83 lakhs, including cash and cash equivalents of ₹ 727.24 lakhs and highly marketable current investments of ₹ 862.04 lakhs.

As at 31st March, 2018, the Company had working capital of ₹ 9554.66 lakhs, including cash and cash equivalents of ₹ 379.91 lakhs and highly marketable current investments of ₹ 3556.50lakhs."

Exposure to liquidity risk

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

The company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, other expenses and borrowings are denominated and the functional currency of the company. The functional currency of the company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated is USD.

Exposure to currency risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows:

Sensitivity analysis

The strenghtening / weakening of the respective foreign currencies with respect to functional currency of Company would result in increase or decrease in profit or loss and equity as shown in table below. This analysis assumes that all other variables, in particular interest rates, remain constant. The following analysis has been worked out based on the exposures as of the date of statements of financial position.

(Note: The impact is indicated on the profit/loss before tax basis)

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates.

For details of the Company's short-term loans and borrowings, including interest rate profiles, refer to Note of these financial statements.

Notes on Financial Statements for the Financial year ended on March 31, 2019 (Contd..)

Fixed-rate instruments		
Financial assets	580.74	580.71
Financial liabilities	(438.57)	(244.38)
	142.17	336.33

Interest rate sensitivity - fixed rate instruments

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

NOTE NO.36

Hedge accounting

As part of its risk management strategy, the company endeavors to hedge its net foreign currency exposure of highly forecasted sale transactions for the next 10 to 12 months in advance. The company uses forward contracts to hedge its currency exposure. Such contracts are designated as cash flow hedges.

The forward contracts are generally denominated in the same currency in which the sales realization is likely to take place.

For derivative contracts designated as hedge, the Company documents, at inception, the economic relationship between the hedging instrument and the hedged item, the hedge ratio, the risk management objective for undertaking the hedge and the methods used to assess the hedge effectiveness.

Financial contracts designated as hedges are accounted for in accordance with the requirements of Ind AS 109 depending upon the type of hedge.

The Company applies cash flow hedge accounting to hedge the variability in the future cash flows attributable to foreign exchange risk.

Hedge effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. The Company assesses hedge effectiveness both on prospective and retrospective basis. The prospective hedge effectiveness test is a forward looking evaluation of whether or not the changes in the fair value or cash flows of the hedging position are expected to be highly effective on offsetting the changes in the fair value or cash flows of the hedged position over the term of the relationship. On the other hand, the retrospective hedge effectiveness test is a backward-looking evaluation of whether the changes in the fair value or cash flows of the hedging position have been highly effective in offsetting changes in the fair value or cash flows of the hedged position since the date of designation of the hedge.

Hedge effectiveness is assessed through the application of critical terms match method. Any ineffectiveness in a hedging relationship is accounted for in the statement of profit and loss.

The company has formally designated and documented hedge relationship from 1 April 2016.

NOTE NO.42

Employee Benefit obligations

(A) Defined Contribution Plan

The Company has various schemes for long-term benefits such as provident fund and superannuation. In case of funded schemes, the funds are recognised by the Income tax authorities and administered through trustees /appropriate authorities. The Company's defined contribution plans are superannuation and employees' pension scheme (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the Company has no further obligation beyond making the contributions. The liability of the Company on the exempt Provident Fund managed by the trustees is restricted to the interest shortfall if any.

(B) Defined Benefit Plan

"In accordance with the provisions of the Payment of Gratuity Act, 1972, the Company has a defined benefit plan which provides for gratuity payments. The plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amounts are based on the respective employee's last drawn salary and the years of employment with the Company.

Liabilities in respect of the gratuity plan are determined by an actuarial valuation, based upon which the Company makes annual contributions to the Group Gratuity cum Life Assurance Schemes administered by the LIC of India, a funded defined benefit plan for qualifying employees. Trustees administer the contributions made by the Company to the gratuity scheme. "

The most recent actuarial valuation of the defined benefit obligation along with the fair valuation of the plan assets in relation to the gratuity scheme was carried out as at March 31, 2018. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation and the plan assets as at balance sheet date:

(vi) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	As at 31st March, 2019		As at 31st March, 2018	
	Increase	Decrease	Increase	Decrease
	Discount rate (1% movement) - Gratuity	(139.62)	164.96	(11.64)
Future salary growth (1% movement) - Gratuity	162.68	(141.29)	12.09	(10.40)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

2. EU GMP Certificate

French National Agency for Medicines and Health Products Safety
CERTIFICATE NUMBER: 16MPP06-01P01

CERTIFICATE OF GMP COMPLIANCE OF A MANUFACTURER^{1, 2, 3}

Part I

Issued following an inspection in accordance with:
Art. 11(15) of Directive 2001/83/EC as amended

The competent authority of France confirms the following:
The manufacturer: **ANUH PHARMA LTD**
Site address: **E-17/3 & E17/4 M.L.D.C, Tarapur, Taluka Palghar, District Thane, BOLISAR, Maharashtra, 401 506, India**

is an active substance manufacturer that has been inspected in accordance with Art. 11(1) of Directive 2001/83/EC.

From the knowledge gained during inspection of this manufacturer, the latest of which was conducted on **2016-09-16**, it is considered that it complies with:

- The principles of GMP for active substances⁴ referred to in Article 47 of Directive 2001/83/EC.

This certificate reflects the status of the manufacturing site at the time of the inspection noted above and should not be relied upon to reflect the compliance status if more than three years have elapsed since the date of that inspection. However, this period of validity may be reduced or extended using regulatory risk management principles by an entry in the Restrictions or Clarifying remarks field. This certificate is valid only when presented with all pages and both Parts I and 2. The authenticity of this certificate may be verified in EudraGMPD. If it does not appear, please contact the issuing authority.

¹ The companies referred to in paragraph 11(1) of Directive 2001/83/EC and 30(3) of Directive 2001/83/EC, shall also be required for reasons relating to the safety of medicinal products to be authorised in the Member State.
² Check for the interpretation of the regulation can be found in the help menu of EudraGMP Database.
³ These requirements apply to the GMP requirements of WHO.
